MEMORANDUM FOR:

[Redacted]

25X1

FROM: Robert Gates, EA/DCI

SUBJECT: Professional Intelligence Officer Education

Herewith my draft curriculum based on our meeting last Monday. I also attach a proposed cover memorandum from us to the DCI. If you will telephone your additions/revisions to both to me, I will have them prepared in final form and send them in. I have no changes to propose to [Redacted] concept paper and suggest combining the papers as set forth in the memorandum to the DCI. I suggest you try, if possible, to get your comments to me on all three papers--cover memo, concept paper and curriculum--by COB Thursday so that I can send the package with him over the weekend.
